CHAMPIONSHIPS ROLLIN' FOR A CURE

Win a Log Donated by Lumberjack Enterprises! Spike Rolling for Pros!

In 2011, profits and donations from the championships will be donated to the **Huntington's Disease Society of America Great Lakes Region (HDSA-GL)**. Huntington's Disease is a hereditary, **degenerative brain disorder** that slowly diminishes an individual's ability to walk, think, feel, talk, and reason. The disease usually strikes young adults between the **ages of 30 and 40**, but **children** as young as **two** have developed the disease. Right now **1 in 10,000 Americans** are **at risk** for this disease, which there is **currently no effective treatment or cure**.

Money raised for HDSA-GL by the Midwest Logrolling Championships will go directly to **researching possible treatments and cures**, regional **patient and family care**, and regional family and community **education**. HDSA's national and international research will also **benefit people** with diseases related to Huntington's – diseases such as Alzheimer's, Parkinson's and many dystrophies. **The TEAM who raises and/or donates the most money in addition to their entry fee will receive a log donated by Lumberjack Enterprises!** The highest individual highest fundraiser will win an **ipod nano!** Then, based on amount of money raised, we will let competitors pick from various prizes including theme park tickets, gift certificates, shirts, and more! All competitors and volunteers will go home with a prize!

Set up your online donation page at: <http://www.firstgiving.com/hdsa-greatlakes> and start collecting donations TODAY! Please make this page YOUR OWN – add a photo of you log rolling and some personal words about how you want to WIN THAT LOG!

What will I get for coming all the way down to Madison?

Top three in each division will receive a unique award (surprise!) and other fun prizes donated by local businesses! Throughout the competition random competitor names will be drawn for prizes such as gift certificates, hats, etc. Plus you get another chance to improve your ranking for the 2011 USLRA Super Series! And don't forget, if you are the highest donating competitor, you'll go home with an ipod nano or log for your team!

What will we eat?

Madison Logrolling and Trader Joe's will provide a BBQ with all of the meat, buns, and fixins'. Feel free to bring drinks and side dishes!

Do I have to be a USLRA member to compete?

Yes! Please visit <http://www.uslogrolling.com> for a registration form. A \$5 day pass is available, but USLRA rates are cheaper than ever in 2011!

Who can run the boom?

Per USLRA Rules, anybody over the age of 16 can run as an Elite Boom Runner.

Do you need any volunteers?

Always! Please send Shana an e-mail at: shana@shanamartin.com if you can help out.
